

Teacher & Staff Appreciation Week 2014

May 5th - May 9th

Please join your PTA in honoring our wonderful Sacajawea teachers & staff members! They are truly amazing and, with your help, we look forward to showing how very much we appreciate them & all they do during our "Thanks for Helping our Students GROW" themed week.

We are asking all students to take part in our week-long celebration in 2 ways:

#1: GARDEN OF GRATITUDE – Print your name in the center of the provided flower cutouts, decorate them however you would like (use your creativity to make them your own), cut them out, and then write a special note of thanks to your teacher or other favorite staff member on the back. Return the paper flowers to school throughout the week of May 5th-9th & place them in the corresponding staff member's special flower in the hallway display. You can do as many as you would like, so feel free to make one for each person at Sacajawea that you want to give a special thank you!

Additional paper flowers will be available near the hallway display if you need more!

#2: FLOWER FRIDAY – Friday, May 9th each Sacajawea staff member will have an empty vase at school & we are asking students to bring in single flowers to place in their teacher's and/or other staff members' vases to create colorful bouquets that represent the growth they have inspired. Let's show our staff members how their encouragement and dedication toward our children can create something truly beautiful!

We are also looking for volunteers to bring in desserts on Monday & other food items to supplement a Subway lunch on Wednesday for the staff. If you are able to help, please select something from the list below & return this form to school before Thursday, May 1st. Thank you!!
