

Vision and Hearing Screening Volunteers Needed Tuesday, November 18, 2014

On Tuesday, November 18th, we will be screening vision and hearing in grades K, 1st, 2nd, 3rd and 5th. Ideally, 7 volunteers are required in all shifts to make this run efficiently and smoothly for your children. (1 runner to get students from classes, 1 at the Music Room door, 1 at the Art Room door, and 4 for screening.)

You do not need any medical experience to help. Screening training will be provided by the school nurse or the 2 nurses helping before your shift begins. If a student does not pass the screening, a rescreening will be done by the school nurse. (You are welcome to stop by the health room on any Mon/Tue AM prior to the screening to acquaint yourself with the vision screen or the audiometer - hearing screening).

If you are able to volunteer, please circle the time slot you are available below. The shifts are 1.5 to 2 hours (or more if you are willing).

Thank you so much for volunteering with Sacajawea's health screening!

Mindy Ding, R.N.
Sacajawea Elementary School Nurse
